A person's hands are held up in a protective gesture, palms facing each other, over several small wooden human figures. The person is wearing a light blue shirt. The wooden figures are standing on a white surface.

TRANSPARENCY

ETHICAL STANDARDS

Our Code of Conduct and Ethics serves as a guiding framework for everyone associated with AFCS. It outlines the principles and behaviors expected in our programs and ensures a safe, inclusive, and supportive environment for all participants

INTERACTING WITH CHILDREN

In 2024 we drafted our comprehensive Child Protection Policy, which outlines the measures, guidelines, and protocols we follow to ensure a secure and nurturing environment where every child feels valued, protected, and empowered.

TESTIMONIALS

What did our associates say
about working with **AFC**S?

“

Our collaboration with AFCS has been incredibly beneficial, enriching our knowledge on the empowerment of civil societies and cultivating teamworking and inter-cultural communication skills through trainings.

Through joint actions and initiatives, we also had the opportunity to share ideas, build relationships of trust and significantly contribute to the promotion of our shared goals towards a more just and active world.

STUDENT ASSOCIATION
FOR INTERNATIONAL
AFFAIRS

“

Through my collaboration with Action for the Civil Society, I had the opportunity to develop my networking skills and get inspired by people and initiatives that fight for a more just society. This experience has taught me the power of teamwork and the value of contributing towards a shared vision.

-Tigran Ghalumyan, Volunteer

”

“

Volunteering at AFCS for the past few months has been an incredibly fun and rewarding experience. I have improved my content creation abilities, a skill very relevant to the modern working landscape, and through our collaboration I was given the opportunity to connect with potential employers. I'm very grateful for this learning experience and can't recommend it enough to other young people!

-Eliroi Vrysioti, Volunteer

”

“

Collaborating with Action for the Civil Society has been an eye-opening and transformative experience. Through our joint efforts, I have gained invaluable insights into advocacy, social impact, and the power of collective action. Working alongside passionate individuals and organizations has not only expanded my professional network but has also deepened my understanding of how we can drive meaningful change together.
